

Rehoming Form

If you need to rehome your Staffordshire bull terrier please complete the following and email to staffordshirerescuescotland@gmail.com

Please note that if your dog originally came to you from another rescue organisation, you should contact them. **Please note – we are unable to take staffie crosses and do not have kennels of our own**

Owners need to keep their dogs until we either have a free foster carer or a new home

Please fill in this form truthfully and with as much detail as possible, this will help us to place your dog with the right family. As soon as we receive this completed form and photographs we will get back to you.
